**Arizona Coalition for Military Families,** [www.arizonacoalition.org](http://www.arizonacoalition.org), has a program for faith communities who are currently serving veterans and their families or have an interest in doing this. The program allows faith communities to become part of a network of other faith communities that have a common interest in veterans and their families. Faith communities that join this network receive free training that can help them understand the needs of veterans and better serve them. They also will be connected with other faith communities to share their best practices in serving veterans. The process is quite simple; 1) Fill out a 15 minute pre-application here: <http://arizonacoalition.org/network/partner-organizations/>, 2) a representative of the Coalition will contact you and set up a convenient time to ask you questions about your organization, and 3) partners must agree to the guiding principles called "Guidelines for Care". See <http://arizonacoalition.org/network/guidelines-for-care/>.

**National Ovarian Cancer Coalition - Valley of the Sun Chapter, Phoenix, Arizona.** Ovarian Cancer Survivor Retreat. July 22 & 23 in Phoenix – all details on the NOCC website: [www.ovarian.org/phoenixretreat](http://www.ovarian.org/phoenixretreat).
